

Triton Diving Services Expands Its Marine Fleet

Triton Diving Services, LLC proudly announces the addition to its fleet of the Dive Support Vessels **TRITON PATRIOT** and **TRITON LIBERTY**.

The **TRITON PATRIOT** (ex SEA FOX) is Triton's fourth Four-Point Vessel, 185 feet in length, with a 100' x 32' clear deck space, and a 25-ton crane.

The **TRITON LIBERTY** (ex Sea Cat) is Triton's second Dive Support Vessel, 110 feet in length, with a 50' x 22' clear deck space, and a 7-ton crane.

Both vessels have been updated and gone through Triton's auditing process to ensure they will maintain the quality and standards of a Triton Vessel.

Now with a fleet of six vessels, over 200 offshore personnel and an 8-acre operations facility in Amelia, LA Triton demonstrates an even greater capacity for its pursuit to be the preeminent diving contractor in 0 – 300 foot depth waters.

Triton is known for its outstanding commitment to safety and provides quality services across the Gulf South.
